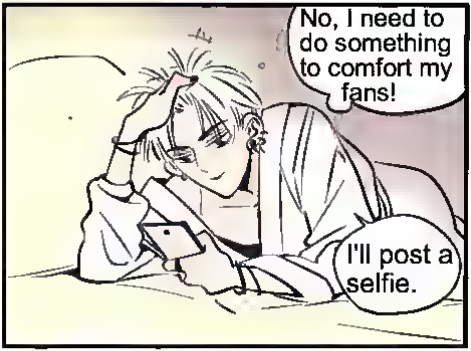
Annoying! Boredom kills me!



No, I need to do something to comfort my fans!
I'll post a selfie.

My natural look after shower. Here to say good night to you.

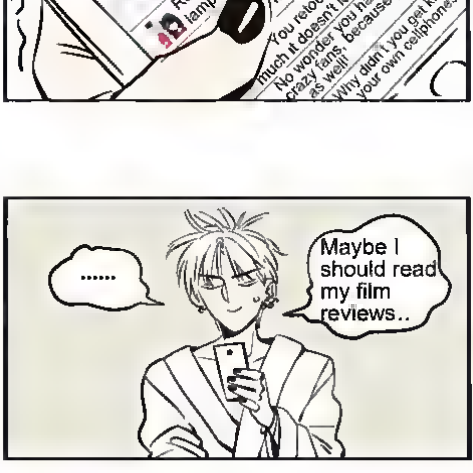
Relax Time. Please think about lamp's feelings.
Enlarged eyes, lifted face, how artificial.heee
You retouched the picture so much it doesn't look like you at all!
No wonder you have so many crazy fans, because you are nuts as well!
Why didn't you get killed by your own cellphones!



.....
Maybe I should read my film reviews..

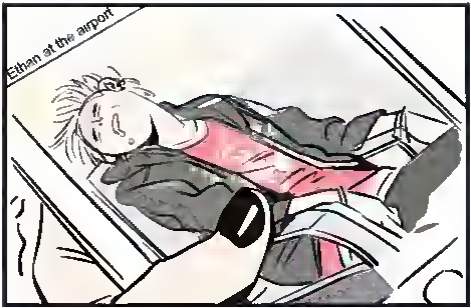
Review of "Time To Fight Back"
Ethan himself is as bad as his acting skill
When he's crying on screen, everyone is laughing in their seats
Fight back, are you kidding me?
His acting skill sucks, I can't stand it anymore
Come on, you have no aptitude for acting

How about my forum...



Ethan at the airport

.....

I think it's time to sleep now...

In the standard room of the hotel
